

HISTORY

Hares travelled to the west from the Silk Road~

Compare the explorers of the Silk Road such as Marco Polo, with modern explorers; or compare Genghis Khan with a modern ruler.

Hares were introduced to Britain by the Romans

Explore the introduction of hares, together with other non-native plants and animals.

Study of hares in mythology and superstition from the Middle Ages onward

How did the Reformation in England affect this?

Study of tortoises in culture and Greek mythology
